47. Mr. A. Eachara Menon (*Chittur-Rural*): Will the Government be pleased to state:—

(1) whether there are not in the Educational Department teachers who have got themselves trained in bee-keeping, poultry farming, etc.;

(2) have the Government made use of the special studies of these teachers hitherto;

(3) have they been given any facilities to put into practice what they have studied;

(4) were they specially deputed by Government for their studies or had they gone on their own account with the permission of the Government to acquire this knowledge?

Rao Sahib I. N. Menon (*Director of Public Instruction*):
(1) Yes.
(2) Yes; as far as possible.
(3) Yes; as far as possible.
(4) Some were specially deputed by Government and others got themselves trained at their own expense with permission.

Mr. A. Eachara Menon (*Chittur-Rural*): In what way have they been given facility?

Rao Sahib I. N. Menon (*Director of Public Instruction*): With regard to 3 of them who are now employed on the staff of the Government Training Institution, one, in addition to the actual instruction in rural economics and rural uplift given to the teachers, is working in the new Rural Re-construction Centre at Cherpu. Another is the teacher for agriculture in the training institution and he is doing his best with regard to the training of teachers in bee-keeping, etc. There are one or two others—one whose services have been lent to the Rural Re-construction Department and another who is at Nemmara doing in his own way extra-mural work in regard to bee-keeping and poultry-farming.
